Muy expresivo en boca, donde se aprecia el equilibrado ensamblaje de las variedades que lo componen, con una primera impresión de elegante frescura ácida, terminando por dominar la frutuosidad y madurez de la monastrell.

Suaves notas tostadas bien integradas, a caramelo, toffee... propias de su paso por barricas nuevas de roble francés.

Es un vino fresco, vivo, equilibrado, armonioso, de largo postgusto.

This modern-style young red wine's fruity aromas prevail over those generated by its 3 months ageing in new French oak barrels. A versatile coupage that can be enjoyed by lovers of young wines as well as those who prefer the subtle influence of oak in their wines.

Very expressive in the mouth where the balanced coupage of the three grape varieties used in its creation can be fully appreciated.
